HUNTING LODGE

fibu

Our hotel is situated in the heart of Inner- Somogy's largest contiguous woodland, this may be the reason why it is called: Kaszó "the green heart of Somogy". The name of the settlement includes the inseparable Kaszó forest, the forest, the Baláta swamp preserving highly-protected natural assets, the small village in the back of beyond as well as hunting lodge and the related resort area.

In the resort area located in the wonderful natural environment 80 visitors can be accommodated in a wide range from topclass apartments in hunting lodges to wooden cottages.

Our services

accommodation
restaurant
conference rooms, separate rooms
